For UG & PG Students

6.0

Post Graduate Teaching Department of English is thrilled to announce the return of its flagship online lecture series. After five successful editions of intellectual exchange, we are officially heading to Know-AGE 6.0!

What to Expect in Edition 6.0

The sixth edition is designed to be a catalyst for fresh perspectives. We aim to move beyond the basics, creating a space for new conceptions and fundamental shifts in how we perceive literary and linguistic studies. It is not just a series of lectures, it is a platform for reimagining the future of the humanities.
