Dear Sir/Madam,

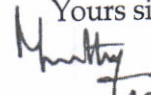

We are happy to inform you that the Institute for Studies in Industrial Development (ISID) is organizing a **One-Week Orientation Programme in Social Science Research for Research Scholars and Teachers belonging to Scheduled Castes (SC) and Scheduled Tribes (ST)** during 19th to 24th February, 2018 at the Institute's campus, New Delhi. This programme is sponsored by Indian Council for Social Science Research (ICSSR), New Delhi.

Broadly, this is a multidisciplinary programme dealing with various aspects of qualitative and quantitative research starting from research design to writing and dissemination of research output. The programme intends to equip the participants to conduct their research more scientifically, i.e. with appropriate theoretical and empirical knowledge in a systematic way. A week long programme consists of interactive sessions including lectures, group discussions, database familiarisation etc. and also provides opportunity to interact with eminent academicians working on various socio-economic issues.

A Notification of the Orientation Programme which appeared in the 9th December, 2017 issue of *Economic and Political Weekly* is enclosed. I would request you to kindly display the Notification on the notice board and also circulate it among the research scholars and colleagues of your Institute/Centre/Department for wider participation.

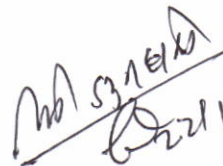

Thanking you,

Yours sincerely,

(M.R. Murthy)
