To,

**Hon. Vice Chancellors  
State Universities  
Maharashtra**

Respected Vice Chancellor,

The State Project Directorate of RUSA Maharashtra has created momentum and enthusiasm among colleges towards Academic Autonomy during two workshops and discussions with various stakeholders at Mumbai University (August 1-2, 2016) and at St. Xavier's College (September 23, 2016).

UGC Scheme for Autonomous Colleges provides for autonomy to a college to achieve excellence in higher education system. Subsequently, the State Government of Maharashtra had issued a GR on Autonomy on January 19, 2013 after carefully considering UGC guidelines on Autonomy and decisions at the JBVC (Joint Board of Vice Chancellors) meeting. Please find the GR enclosed for your reference. As per this GR, universities have been mandated to encourage academic autonomy in a big way by encouraging all eligible colleges to apply for the same. In addition, the state universities have been given a target to ensure that at least 10% of the excellent affiliated institutions within their jurisdiction are given autonomy with due process.

The progress in this regard has been very slow and the number of autonomous colleges in Maharashtra has reduced from 35 (as on 31/05/2016, UGC) to 32 (November 2016) as some college's autonomy status have either expired or it did not implement it.

Of the 32 autonomous colleges in Maharashtra, 9 are from Mumbai University; 8 are from SP Pune University; 5 from Shivaji University; 4 from Rashtrasant Tukdoji Maharaj Nagpur University; 2 from

Swami Ramanand Teerth Marathwada University Nanded and one each from SNDT Women's University, Sant Gadge Baba Amravati University, North Maharashtra University Jalgaon and Dr. Babasaheb Ambedkar Marathwada University Aurangabad.

In October 2016 SPD, RUSA received 6 proposals from colleges forwarded by their affiliating University. It is also learnt that autonomy proposals of 7 colleges are in process with state universities. In October 2016, RUSA officials met UGC officials to follow-up progress on pending proposals from the state. UGC has ensured full cooperation in fast-track clearing of all autonomy proposals from Maharashtra.

However, UGC officials cited the following reasons for delays in processing the proposals which should be taken care of while screening the proposals: -

1. Colleges do not fulfill one or more eligibility criteria as per the UGC Guidelines on Autonomy during 12<sup>th</sup> Plan (2012-17) Document (as attached).
2. Colleges send proposals directly to UGC without a covering letter / NOC of its affiliating university. UGC again writes to the college to follow the norms of getting a covering letter from its affiliating university which results in delays.
3. Sometimes colleges change its name and do not inform UGC. In the 2F certificate, the name of the college is mentioned and UGC will go by that name. This discrepancy leads to UGC being unable to process the proposals and results in unnecessary delays.

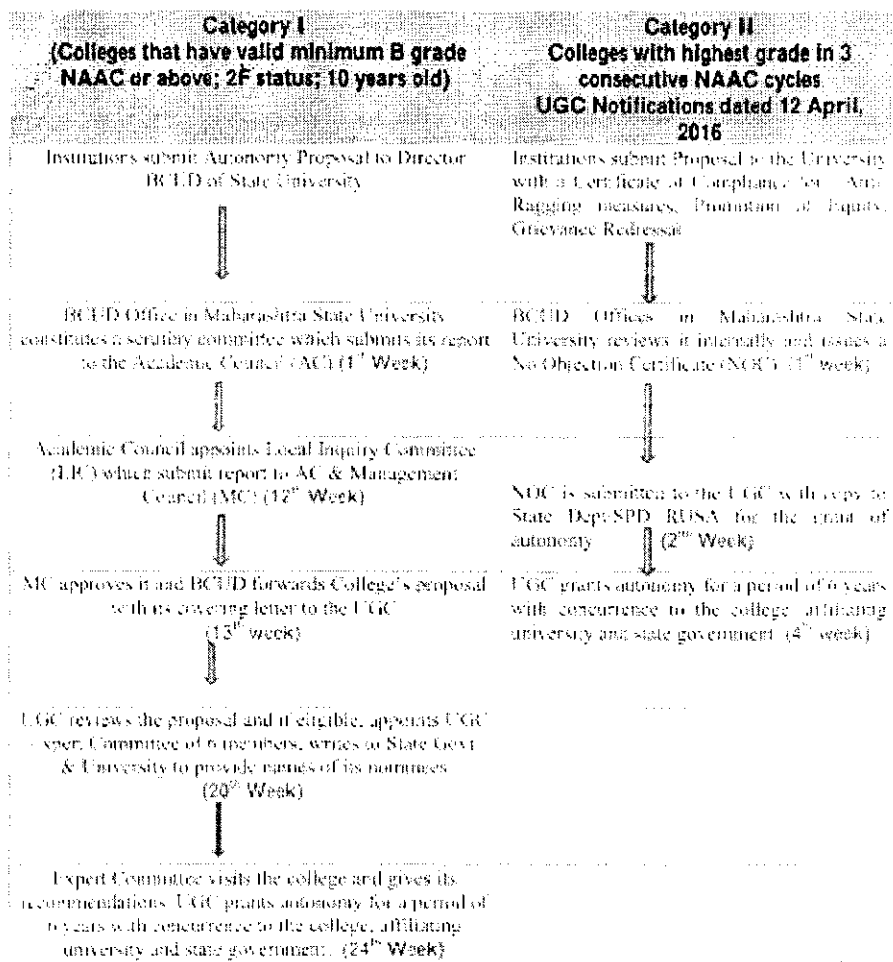

Please inform all colleges affiliated to your university to ensure compliance to the above mentioned issues.

Please note that there are two kinds of colleges that can be granted autonomy:

Category I: Colleges that have a minimum valid B grade by NAAC Accreditation or above, has 2F status and is 10 years old.

Category II: Colleges that have highest grade in 3 consecutive NAAC cycles

An indicative process flow of Autonomy application for the above two categories are as follows with suggestive timelines:

**Under Category I**, for every college proposal, UGC Expert Committee is formed that is required to visit the college for granting autonomous status. UGC Expert Committee comprises of 6 members of which one member each is to be nominated by the University. It is observed that the appointment of nominees from University takes a lot of time as there are no guidelines. **You may kindly issue a circular to make BCUD/ Registrar or Dean Students Affairs to be nominated as the member of any UGC Expert Committee constituted on Autonomy in your university's jurisdiction.**

It is also noticed that some universities have suo-motto raised processing fee for applications of academic autonomy. This fee could be a disincentive for excellent institutions especially in Category II. The competent authorities in this regard may like to revisit these barriers of high processing fee to incentivise promotion of academic excellence through autonomy.

I hope the above information will bring you clarity on the processes of granting autonomy to affiliated colleges and share the same with all affiliating colleges in your university.

**Please see the checklist of pre-requisites for autonomy and a Note on the benefits of academic autonomy enclosed in this letter for circulation to all colleges.** We look forward to your partnership in bringing at least 10% of eligible colleges under your university to become autonomous.

Thanking you.

प्रस्तावना :- राज्यात उच्च शिक्षण देणाऱ्या महाविद्यालयांच्या संख्येत दिवसेंदिवस वाढ होत आहे. त्यामुळे विद्यापीठांच्या कामावर फार मोठ्या प्रमाणात ताण पडतो. महाविद्यालयांची संख्या वाढल्यानंतर त्या महाविद्यालयांची नोंदणी करणे, त्या महाविद्यालयात प्रवेश घेणाऱ्या विद्यार्थ्यांची नोंदणी करणे, त्यांची परीक्षा घेऊन त्यांचे निकाल घोषित करणे, त्या महाविद्यालयातील शिक्षकांच्या नियुक्ती करून त्यास मान्यता देणे अशा स्वरूपाच्या विद्यापीठांच्या कामात वाढ होते. महाविद्यालयांची संख्या वाढल्याने विद्यार्थ्यांच्या परीक्षा घेऊन त्यांचे निकाल घोषित करणे याबाबी वेळेवर करणे विद्यापीठांना कठीण होऊन बसते. या सर्व बाबींचा विचार करून विद्यापीठ अनुदान आयोगाने महाविद्यालये / संस्था / विद्यापीठ विभाग यांना स्वायत्तता देण्याची संकल्पना मांडली आहे. त्यानुसार विद्यापीठांनी त्यांच्या अखत्यारितील उच्च शिक्षण देणाऱ्या महाविद्यालये / संस्था / विद्यापीठ विभाग यांना स्वायत्तता देण्याबाबत प्रोत्साहित करून त्यांना स्वायत्तता देणे विद्यापीठांकडून अपेक्षित होते.
