Sub: Celebration of Digital India Week (DIW) Program

Dear Sir/Madam,

In the Independence Day address to the Nation, the Hon' ble Prime Minister announced the launch of Digital India Project - A program to transform India into digitally empowered society and knowledge economy by leveraging IT as a growth engine. The Digital India campaign of the magnitude envisioned by the Prime Minister requires Societal mobilization and participation of Educational Institutions, especially the Institutions of Higher Learning, which can play a major catalytic role in achieving this laudable goal.

The Department of Higher Education, Ministry of Human Resource Development (MHRD) and All India Council for Technical Education (AICTE) desires each and every Institution to actively participate in this national endeavour. As a first step in this direction, you are requested to launch **Digital India Week (DIW)** program at your Institution level by making provision to broadcast the inauguration function to be organised in Delhi at Indira Gandhi Indoor Stadium on **1st July 2015** (4PM on DD India as well as DD News).

After the inauguration, in connection with celebration of **Digital India Week (DIW)** you are also requested to organise and conduct activities on the following **from 2nd July 2015 to 7th July 2015**:

- i. Digital India Initiatives
- ii. Digital Literacy - Information and Communication Technology (ICT) in Higher and Technical Education
- iii. e-Services and m-Services of Govt. of India
- iv. Cyber Security and Cyber Hygiene
- v. e-Waste - Concept and Disposal
- vi. Publicise Digital Locker, Jeevan Pramaan and Aadhar with focus on ensuring maximum registration by the student community, Faculty members and Staff.

All promotional and informative nature material along with video films etc., required for organizing and conducting DIW activities, will be available on the **AICTE** portal (www.aicte-india.org) and **Know Your College** Portal (www.knowyourcollege.gov.in).

To be a part of this important nation building activity is a great opportunity for all Institutions of Higher Learning to demonstrate their synergic and collaborative commitment both in attitude and in practice and to lead by example.

I look forward to the cooperation of each and every institution in this important National Endeavour.

With Regards,

Yours Sincerely

(Dr. Avinash S. Pant)
