11<sup>th</sup> K.C. Law National Moot Court Competition, 2017

Moot Court Problem

The State of Cadbridge is one of the fastest growing economies of the world, it is a Sovereign Secular Socialist Democratic Republic. The currency of the country is the Cadbridge Rupee (CRs.).

In spite of making progress in leaps and bounds in various spheres, the country continues to be plagued by problems such as rampant poverty and income inequality, with 48% of the population below the poverty line and 54% of the nation's wealth being possessed by a mere 1.5% of the population.

Due to the extensive red tapism in the executive branch of the government, it is weighed down by corruption. Newspaper reports indicate that a parallel economy could exist. As per a study conducted by the Central Bank of Cadbridge (CBC), 20% of notes of denomination CRs. 1,500 and CRs. 500 printed by them are out of circulation and have not been in use for the past five years. These notes which haven't been in circulation for an extended period of time are colloquially referred to as 'Black Money'.

The 'Press Trust of Cadbridge', a reputed government news agency conducted a survey amongst the leading banks of the country. It found out that there has recently been a spurt in the number of people attempting to deposit counterfeit currency. As part of the survey, interviews were conducted of the CEO's of these banks and a majority of them felt that the inadequate and redundant security features of these notes caused the easy influx of counterfeit currency and the systematic introduction of plastic notes in line with global standards will reduce the counterfeiting of currency.

During the previous general election, the current ruling party CPP (Cadbridge People's Party) promised the citizens that it would deal with the issue of 'Black

Money' i.e unaccounted currency and re-funnel it towards the economy. In an attempt to curb the growth of this parallel economy and deal with the issue of unaccounted currency as well as tackle the corruption and issue of counterfeit currency the government took a drastic step. The Prime Minister of Cadbridge Dr. Moody made an announcement through a gazetted notification at 8 pm on 3rd January 2017. It was stated that post 12 am the notes of the denomination of 500 and 1,500 Cadbridge Rupees that were printed prior to 2015 will cease to be legalised tenders; effective immediately. It included certain exceptions like petrol pumps and hospitals which would still accept the old currency for a stipulated period of time to be decided by the government.

It was declared that Banks would be temporarily shut and ATMs would be inoperable for 48 hours while the process of recalibration would be undertaken. The people were also informed that new paper currency of CRs. 500 and CRs. 2,000 would be rolled out with stronger security features that can prevent counter-fetism and can be detected with sensors from a reasonable distance in order to prevent hoarding.

This decision resulted in 90% of the notes in circulation which were pre-2015 print being derecognized as legal tenders. Further to deal with the cash crunch in the economy the people were instructed that they would not be allowed to withdraw more than CRs. 3,500 from their accounts per day until further notice. This decision created a lot of panic and confusion among the citizens of Cadbridge.

Under these circumstances to pray for respite litigants approached the High Courts of Mansfield Park, Cantebury and Godric's Hollow within the state of Cadbridge, following were the outcomes:

1. A small and medium sized industry 'Honeydukes' has filed a petition in the High Court of Mansfield Park saying that it is unable to conduct its daily business due to the restrictions on the withdrawal limit. It does not have an adequate amount of petty cash for its day to day operations and its business is suffering since they are not being able to make payments to their vendors who they generally only deal with in cash. This has led to a stunted income and they are having to bear severe losses. The High Court, however, has decided

against them in the case citing that these restrictions are temporary and in the interest of public good- Honeydukes has filed an appeal in the Supreme Court.

2. In the High Court of Canterbury, a case was filed wherein a branch of the Regional Bank of Caglistun had been operational for 62 hours straight and none of the employees had been given any respite. Due to withdrawal limit of 24,500 Cadbridge Rupees per week only there was a huge amount of public outrage. On account of the prolonged period of pressure and fear of an outbreak of riots Branch Manager Mr. Baher succumbed to a heart attack and died on the spot. This resulted in chaos and it was a few hours before the body could be retrieved due to the stampede outside. His widow has filed a suit for compensation against the State of Cadbrige claiming that had it not been for this decision and its resultant stress and confusion her husband would have been alive and well and that she must receive damages. The case is pendente lite.
3. In the High Court of Godric's Hollow a Religious outfit 'God for Humanity' has filed a petition calling this move discriminatory and since its implementation has been carried out during the peak wedding season, lack of funds is creating hindrances for ceremonies and rituals as they cannot be carried out by the common man. To add salt to the wounds of petitioners one of the prominent ministers of the government in spite of such circumstances spent close to CRs. 50 Crores on his daughter's wedding. The petitioners claim malafide intent, excessive delegation and inequitable treatment and have challenged this move on the grounds that it violates their fundamental rights. The High Court has ordered an interim stay on the notification. This decision has led to a lot of uproar in the state, the people are now confused as to which of the two currencies can even be utilised and there is mass panic. The state has appealed to the Supreme Court.

This decision of the High Court was pronounced on the 16th of January 2017, in an attempt to prevent further escalation and to bring the pandemonium under control, the President of Cadbridge issued a proclamation under Article

360 of the Constitution of Cadbridge on the 30th of January 2017 applicable primarily to the state of Godric's Hollow.

In addition to the above petitions a Public Interest Litigation was filed by a prominent media house CNN (Cadbridge National Network) and the National Consortium of Journalists (NCJ) raised quite a storm. It was filed on the basis of a sting operation conducted by them, where members of various political parties can be seen assuring a select few people that money could be converted easily from 'Black Money' to white for a certain percentage of the cost. This has raised the question whether the arbitrary and excessive action of the government is fulfilling its purpose. To add to this, the petition also attacks the decision on the grounds of it being unconstitutional due to it not adhering to provisions of the Central Bank of Cadbridge Act.

On seeing the divergent views- the Supreme Court has instructed the High Courts to refrain from entertaining any of the petitions pertaining to this matter. Henceforth, they have directed that the Apex Court will be hearing them together as a group petition since they are all primarily focused on the same issue.

It must also be noted that that the Constitution and laws of the state of Cadbridge are Pari-Materia to those of the Union of India.

Questions put forth:

1. Whether the 3<sup>rd</sup> January notification is ultra vires the constitution of Cadbridge?
2. Whether the Central Government and the Central Bank of Cadbridge can limit the amount of money that can be withdrawn from bank accounts via a notification?
3. Whether the income inequality present in Cadbridge violates peoples' fundamental rights under Article 21 of the Constitution.
4. Whether any of the fundamental rights of the citizens of Cadbridge have been violated by the 'demonetization'?
5. Whether the CPP can be held accountable for its poor implementation of its election promise?

6. Whether the grounds under which the President of Cadbridge issued the proclamation on 30<sup>th</sup> January 2017 are valid?
7. Whether the autonomy of the Central Bank of Cadbridge has been infringed by the Central Government?
8. Whether it is within the mandate of a media house to file a Public Interest Litigation based on a sting operation?

The questions put forth are not to be considered as issues. Participants are at liberty to frame issues themselves based on the Moot Problem, as they may deem fit. It is at the discretion of the participants if they would like to use the above questions as a guide in framing the issues.

7. Procedure of Oral Rounds

7.1. Oral presentations during the round must be made by two (2) members. Each Team must indicate to the bailiff how it wishes to allocate its given time for each round among (a) its first speaker, (b) its second speaker.

7.2. Time allocated for but not used by one speaker may not be used by another speaker, or in the rebuttal or sur-rebuttal.

7.3. Judges may, at their discretion, extend total oral argument time of the team up to 10 minutes beyond the given time slot for such team in any round. Speakers asked to further expand upon arguments may, in this instance, argue for more than their individual limit for each round.

7.4. The order of the pleadings in each Oral Round at all levels of the Competition is: Plaintiff 1 --> Plaintiff 2 --> Respondent 1 --> Respondent 2 --> Rebuttal (Plaintiff 1 or 2) --> Sur-rebuttal (Respondent 1 or 2). Once a speaker has completed his or her main leading, that speaker may not make any additional argument except for rebuttal or sur-rebuttal. This applies irrespective of whether the pleading Team uses all of the time it has allocated for the main pleading. Further, any time that is not used in the main pleading may not be used to extend the time allocated to rebuttal or sur-rebuttal.

7.4.1. Rebuttal and Sur-rebuttal.

7.4.1.a Each Team may reserve up to five minutes for rebuttal or sur-rebuttal. As a courtesy to the judges, Teams should announce whether they intend to reserve

time for rebuttal or sur-rebuttal at the beginning of their oral argument, and how much time they intend to reserve. Failure to announce will not waive the right to rebuttal or sur-rebuttal. The rebuttal or sur-rebuttal must be delivered by one of the two speakers participating in the oral round. A rebuttal shall immediately follow after pleadings of Respondent 2, and the sur-rebuttal shall immediately follow the rebuttal. The Team need not indicate prior to rebuttal or sur-rebuttal as to which of the Team Members will deliver rebuttal or sur-rebuttal. Teams may waive their rebuttal or sur-rebuttal through an express declaration.

7.4.2. Scope of Pleadings

7.4.2.a A team's oral pleadings are not in any way limited to the scope of the Team's Memorandum. The scope of the Plaintiff's rebuttal is limited to responding to the Respondent's primary oral pleadings, and the scope of the Respondent's sur-rebuttal is limited to responding to the Plaintiff's rebuttal. If the Plaintiff waive off its right to rebut, Respondent may not appear for sur-rebuttal.

7.4.3. Scoring of Speakers

7.4.3.a The criterion for scoring of the Speakers has been given herein below:
