Sem I and Sem II is of 26 credit while Sem III, Sem IV, Sem V and Sem VI is of 20 credits each. Total credit for the entire course of BCA is 132.
**Note:** The Practical and Project shall be evaluated by both the External and Internal Examiner appointed by University.

1. **Credit, Grade, SGPA & CGPA**

   B.Sc.(IT) Program shall consist of six semesters, wherein the student has to complete certain number of credits. Each Subject (Paper, Practicals, Project and Seminar) has some fixed number of credits. The types of subject subheads are: Core, Core Practical, Discipline Specific Elective, Discipline Specific Practicals, SkillEnhancementcourse, AbilityEnhancementCourse and Elective course.

   a) **Credits and Grade:**

      It is a unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week. **There will be 1 credit for 16-20 hours for Theory papers and Practical to be spent by the student per course in one semester.**

      Depending on the marks scored in a subject, student is given a Grade. Each grade has got certain grade points as follows:

      | Marks Obtained | Letter Grade       | Grade Point |
      |----------------|-------------------|-------------|
      | 91-100         | O (Outstanding)   | 10          |
      | 81-90          | A+ (Excellent)    | 09          |
      | 71-80          | A (Very Good)     | 08          |
      | 55-70          | B+ (Good)         | 07          |
      | 51-54          | B (Satisfactory)  | 06          |
      | 41-50          | C (Average)       | 05          |
      | < 40           | P (Pass)          | 04          |
      | Ab             | Ab (Absent)       | 0           |

      **Table 1: Letter grade and Grade Point based on Marks Scored**

      A student obtaining Grades F and Ab shall be considered failed and will be required to reappear for the examination.

   b) **Computation of SGPA and CGPA**

      Following is the procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

      i. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.
**SGPA (Si) = \( \Sigma (Ci \times Gi) / \Sigma Ci \)**

Where \( Ci \) is the number of credits of the \( i^{th} \) course and \( Gi \) is the grade point scored by the student in the \( i^{th} \) course.

The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a program, i.e.

**CGPA = \( \Sigma (Ci \times Si) / \Sigma Ci \)**

Where \( Si \) is the SGPA of the \( i^{th} \) semester and \( Ci \) is the total number of credits in that semester.

**22. Awarding Certificate and Degree**

i) Successful examinees at the end of B.Sc.(IT) Semester I, II, III, IV, V & VI examinations shall be entitled to receive a **Certificate/ Marksheet / Transcript** signed by the Director Board of examination and evaluation (B.O.E.&V.) of the University.

ii) After successful completion of B.Sc.(IT) course and on payment of prescribed fees he/she will receive a Degree in the prescribed format, signed by the Vice-Chancellor.

**23** Evaluation rules, practical examination rules, and pattern of question paper shall be as provided under Appendices – 1, 2 and 3 respectively appended with this direction.
