Model Credit-Grade System

7. As per the guide lines suggested by UGC, all the central, state and deemed universities in India, it is now mandatory to adopt credit system in place of conventional system comprising of marks and grades for all the under graduate programs. The central idea of the system is that a student has to earn prescribed minimum number of credits to fulfill their requirements of graduation. The credit system has to be designed uniformly together with a suitable continuous evaluation and a well-articulated system of grading.
 - i) All evaluations of different components of a course specified in the course plan. i.e. scheme shall be done in marks for each student.
 - ii) The marks of various components of Internal Assessment and university conducted examination i.e. ESE shall be added to get total marks secured for the given course. For example, out of a total of 100 marks for theory subjects.
 - iii) These letter grades are as signed numerical equivalents called Grade Points, **GP** on a 07-point scale and are correlated with percentages core of the student in the given course as shown in the **Table 2** given below.
 - iv) For the given course, the adopted criteria of percentage marks given below shall then be used for the computation of grades and grade points.
 - v) **F**- grade stands for failure in that course examination. The course(s) in which a student has earned F-grade will be termed as back-log. i.e. course(s) under ATKT.

Such a student will be required to reappear in the given course examination as per the specified provision.

- vi) **"X"** grade is awarded to a student who is absent in the examination or is not allowed to appear or could not appear in end semester examination (ESE) in a particular subject due to any reason, though he might have undergone other components of Internal Assessment, Practical etc. Such a student will be required to reappear in the given subject in which he/she has secured X-grade.

F	0-39	00
X	Absent in Examination	---

Credit Points (CP)

Credit points stand for performance of student in a particular subject. They are product of total credits of a subject and grade point secured by the student in the given subject.

Semester Grade Point Average (SGPA)

It is indicative of performance of a student in the given semester. The Grade Point Average for a semester is obtained by adding the products of Actual Grade Points and relative weightages for different subjects as shown in the course scheme for respective semester and dividing the total by the total credit hours for that semester as illustrated below.

$$SGPA = \frac{C_i G_i + C_{ii} G_{ii} + \dots + C_n G_n}{C_i + C_{ii} + \dots + C_n}$$

Where, C – No of Credits of individual subject.

G – Corresponding grade point obtained in the respective subject.

Cumulative Grade Point Average (CGPA)

The Cumulative Grade Point Average (CGPA) is indicative of the overall academic performance of a student in all the subjects registered up to and including the latest completed semester. It is the cumulative total of the products of actual grade point and its weightage up to last semester divided by total credits of all the semesters.

$$CGPA = \frac{\sum_{i=1}^n c_i g_i}{\sum_{i=1}^n c_i}$$

- (1) A student who PASSES in the each head of passing shall be granted exemption in that paper. But, if he passes in practical and fails in combined head of ESE+IA of a subject, shall reappear for the ESE of the given subject. However, his/her marks of the IA and P shall be carried over and he/she shall be entitled for grade obtained by him/her on passing of the end semester examination of the given subject.
- (2) A student who FAILS in the Practical /Project but PASSES in the ESE+IA of a subject shall submit and reappear for the Practical/Project for that subject. However, his/her marks of the ESE+IA shall be entitled for grade obtained by him/her on qualifying in the Practical/Project evaluation.
- (3) The marks for the IA or Practical /Project shall be forwarded by Principal/Head of the Institution to the Affiliate University as per the schedule.
- (4) If a student is permitted to repeat any semester/course, the new letter grade will replace the old letter grade in the computation of the SGPA and further that every student will have only one grade-sheet for every semester and the last semester grade-sheet to indicate CGPA based on the adapted criteria for the Award of the Degree.
